December 2023

Dear Praying Friends,

As we approach the holiday season, Donna and I just wanted to write a personal letter to each of our prayer warriors and supporters who have stood by us all these many years. There is no way we can put into words the gratitude we feel in our hearts for each of you. Even though we are unable to write each of you directly, we want you to know that we do not take you for granted and that God has used you all these years to keep us going for our Lord. Without you we could not have accomplished our Lord's work. For sure the Lord made us a team to serve Him but you are rarely recognized. However, the Lord sees and your rewards are awaiting you in glory.

Our hearts' desire for each of us is that this Christmas may be very special in truly appreciating all the Lord has done in our lives and will continue to do until He returns. As the world seems to be crumbling around us, we can set our focus on our never changing God who is in charge of us and the world. He will never leave us nor forsake us! The Christ Child that was born to die for our sins is coming back to receive us to Himself. May we all be ready. We love you dearly and again are thankful for each of you!

*Have a Very Merry  
Christmas and a Christ  
Centered New Year!*

In His service,

A handwritten signature in black ink that reads "Ron Bragg".
