Salmos 126:5-6

Dear Pastor and Church:

OCTOBER 2023

It is a blessing for us to write this letter to you. We pray that you are well serving our God steadfastly. We move forward by the grace of the Lord, learning to wait and trust in His Word. We share our activity report with you.

August.

We received a visit from missionary Aron Soto and his family. They work in Querobabi, Sonora. Your visit was a blessing for us. Our sister Nena, one of the first fruits in our church, left with the Lord. Thank you for the time she was serving with us.

September.

We received visits from the missionaries Jesús Hernández and Everardo Andrade. Both, working in the state of Nayarit. We were edified by his biblical teachings. We rejoice in our Mexican worship. We had a women's meeting for my daughter-in-law Ivon. (My grandson Jesse was born.) Sisters from our sending church lived there. The Lord blessed the children's Bible club with 24 children and 4 adults who heard the gospel.

October.

Our sister Cruz, also from the fruits that God has given us, left with the Lord. We thank God for the time he served with us. We continue evangelizing door to door. 20 visitors in regular services and 22 people who have made a profession of faith. We continue to disciple new believers. Thank you so much for your prayers. Thank you for your financial support. May God provide for you and continue to use you.

His servants.
Ortiz Ramos family.
