The Porterfields to South Sudan Nov/Dec 2023 Update

Dear Friends and Family,

Season’s Greetings and Merry Christmas! As you know our family was blessed a few months ago to visit our work in Uganda. While there, our daughter, Elizabeth, was able to see some of the results of her special project: Beth’s Blessings. This is a program that my wife and daughter started a few years ago to aid people in Africa during Christmas by raising funds to purchase goats (\$35) or chickens (\$10) for needy families that can sustain them throughout the year. We want to invite you to participate in this blessing opportunity! Simply send funds to our PO Box listed below and indicate what the funds are for or donate through the PayPal link on our website. The deadline to donate to this year is December 21st.

In the last few months we were able to distribute three new motorbikes to national pastors and church workers in Uganda which will aid them in their ministry work there. As we move into 2024, we are looking forward to many things continuing in our ministry in Africa with the refining of the curriculum that is used for our Bible Institute, the completion of the compound in Adjumani, more church's planted, people discipled and matured through the training center, the Gospel sent out to unreached peoples, and the works strengthened that we currently have on the grounds. We ask prayer for favor with the Ugandan government as we are working to get all the land titles cleared for the churches spread throughout Uganda.

Please continue to pray for our work in South Sudan as we are in the process of renewing of our NGO and filing the end of the year financial reports. This is a very tedious process and we're praying that the Lord will allow us to get through it without any hiccups.

We thank you so much for your continued prayers and support. We appreciate your partnership. We are still praying for the salvation of our son, Johnny, and ask that you would join us in that as well. To everyone that has sent Christmas money or gifts to our ministry or to Jessica and I, we are so humbled and grateful for your continued support.

God bless you,
