AUTUMN/WINTER 2023

## Harvest Service

Much like you would have a Thanksgiving Day Service in the US, it is customary in the UK to have a 'Harvest Sunday'. It is a day set aside to thank God for His many good gifts. As a church we collected food for our local food bank and took a special offering for our missionaries. It was a joyous celebration as we gave thanks to God for His many blessings upon Princes Street Evangelical Baptist Church.

## Light Party

We were blown away by the turn out for the Light Party this year. With over 30 volunteers we opened our church doors to share the light of Jesus on one of the darkest nights of the year, Halloween. It was exciting to see the enthusiasm of the workers as they played games, served snacks, taught songs and shared God's love with those coming in from our church neighbourhood.

## Baptism Service

A few weeks ago we saw four individuals follow the Lord in believer's baptism; Kat, Carys, Gracie, and Zoe. We thank God for the lives that are being made new because of the gospel!

We ran out of chairs on Baptism Sunday! We have never seen our building so full...there was standing room only. It was incredible and brought tears to our eyes to see God at work in our church and people giving up their seats for others. Lives are being transformed because of the gospel. Praise the Lord! While the blessings are bountiful, we often ask God for wisdom and strength for each day. Will you please pray we will know where to invest our time and that God would help us to be good stewards of the resources we have been given?

## PRINCES STREET EVANGELICAL BAPTIST CHURCH | BARRY, WALES

### Christian School September 2024

We thank God for the opportunity we have been given to facilitate the beginning of a Christian school in our secondary church building. We will be loaning our newly purchased church building to Wycliffe Independent Christian School during the weekdays to start a satellite school. This arrangement will work well for both parties as it will continue to allow our church to use the building on Sunday and in the evenings, yet allows the building to be used for a school during the day. There is a desperate need for Christian education in the UK and we are thrilled that God has given us the resources to help with this endeavour. Please pray for the many hurdles that lay ahead for us as we prepare our facilities for the target open day in September.
