Dear Praying Friends,

Glorious time of year—thankful for so many blessings

Praise God from Whom all blessings flow! At this time of the year, it's good to be reminded of what a good God we serve! As the Old Testament prophet, Jeremiah, reminds us; let not men glory in their wealth, power, and wisdom, but all men should glory in knowing and understanding God. His divine attributes are not shrouded in mystery. God does good on purpose and the evidence of His loving kindness has compassed us about. His immutability and His faithfulness give us great comfort. Let us thank God for His goodness!

Thankful also for God's goodness to our family

Over the years, we have enjoyed many memories together as a family. We do miss having our family together for the holidays and enjoying those Christmas traditions. However, we are thankful to see our children following God's will for their lives. Please keep our young adult children in your prayers!

This year, more than ever, we thank God for abundant grace through answering prayer. His grace is so real and is manifested most during times of great trials, especially when we have come to the end of ourselves. Healthwise, we have experienced some monumental victories this year. After miraculous healing, Angela flew back for a youth conference at our home church last month. We praise the Lord for safety on these long international flights for our family this year (over fifty thousand miles)!

Pray for Christmas Push

Please pray for our Christmas outreach, December 24th, as this is our biggest evangelistic push of the year. We have the glorious message of hope, peace, and everlasting life. The Greatest Gift of all time is made available to whosoever will come and receive our Saviour (with repentance and faith)! Many curious visitors will come out to church to see the Christmas play; the majority of whom have never heard the truth of the Gospel. Would you pray that as the seed is sown, God would give us good contacts and lasting fruit?

Merry Christmas! May Christ be exalted during this season!

The Schrock Family
