Dear Friends,

Countdown

As we conclude our January meetings, we are beginning to feel the reality of our church start date! 104 churches down, 20 Churches to go for our deputation. We are almost at 75% of our support and there is excitement in the air! We were able to get our vehicles fixed and God provided the means to get it paid! Thank you for your prayers!

Gospel Video

Our Hope 4 New Castle campaign has officially started! In the last week over 7000 people have scrolled past our gospel video on social media and almost 200 have clicked the link to watch it. Pray that God will work in hearts as people see the video and that they respond to the gospel. We are preparing a card to mail out and yard signs to put out in the community as well.

Many have asked how they can help us get started. We are thrilled and humbled by the response we have had and the support we have received so far. As we head into the new year, here are three quick updates.

1. We are finalizing our schedule for churches that are coming to help. Every weekend in March and the first weekend in April are still available for churches to come. Please let us know if you are able to bring a group from your church to New Castle so that we can make the proper plans.
2. We have received almost \$19,000 of the needed startup funds. We are looking to raise about \$11,000 more to complete our budget.
3. We have almost 75% of our support promised. Please pray that we can reach the full amount.

We would love to hear from you via text, email or phone. If you can help complete the budget for our start up needs or monthly support, please send it to:

For those who have already scheduled time to canvas and given to this need we are eternally grateful.
