Light Party

On one of the darkest nights of the year, Halloween, we flung open our church doors to brightly shine the light of Jesus with our community. Games! Snacks! Prizes! Music! Crafts! We had it all at the Light Party! Kids left with bags of candy, volunteers walked out with hearts full from serving, parents left with an open invitation to join us again at church, and we all departed having heard the message of Jesus, the light of the world!

Baptism and Church's 125th Anniversary

We celebrated big time as a church in October! October 6 was a commemorable day for Princes Street Evangelical Baptist Church as we celebrated the church's 125th anniversary. The next Sunday we baptised two boys; Seb and Nathan. As Nathan's parents we were thrilled to see him dedicate his life to Jesus and boldly share his salvation testimony with all those in attendance. The tears flowed freely that day - praise God for His faithfulness!

Youth Club Start-Up

Pre-covid our church had a bustling and thriving youth club, but ever since Covid we sadly haven't been able to restart it...until last September! We are doing a gradual re-introduction to Youth Club with having Youth Club once a month and in the meantime asking God for a team of volunteers to help lead this exciting ministry.

Anna's 40th Birthday Party

Our church was so gracious and kind to give Anna a 40th birthday party! They did their best to shower her with lots of love and appreciation on the night. We are grateful for the life God has given to us to serve Him and others in the UK. Please pray God continues to give us good health and the ability to faithfully serve Him.

Unexpected Visit from Ryan

Kevin felt a little tap on his shoulder while he was busily getting ready for the church service one Sunday. Much to his surprise when he turned around he saw Ryan, a young man who was in our youth group years ago when we worked in a church in Birmingham, England! He traveled to Wales, stayed in a hotel, and surprised us with a lovely visit. It was great to get reconnected and ever since that visit we've been in regular contact with Ryan.

Christmas Events, New Year, and Much More!

We do apologise for the delay in getting this update letter to you - it was halfway prepped for ages and we just haven't been organised enough to finish and send it. Thank you for your patience. We will have another prayer letter with you soon, but didn't want to overwhelm you with so much news all at once. Keep a lookout for another update letter in the coming week or so!

Yours in Christ,

Kevin, Anna, Noah, Nathan, and Amara Ruwersma
